opening right

files: PDF, EPS, TIFF
resolution: 300 dpi
bleed zone: Printed matters have to be created a bit bigger than the final size. So please do not
               forget the bleed zone and pay attention that no text is in the bleed zone of the outer
               margin which will be cutted!
               So please deliver the print file in the following size: 332 x 643 mm

email: print@celebrate.de

Please note our info sheet "How to prepare print files"
