

You can choose a small or a big middle hole.

Do not draw the middle hole. Please only make a small cross.

Pls. inform your customer advisor if you want a big or a small hole.

files: PDF, EPS, TIFF (A- and B-side in one file as seen in the illustration above)

resolution: 300 dpi

bleed zone: 3mm

Printed matters have to be created a bit bigger than the final size. So please do not forget the bleed zone and pay attention that no text is in the bleed zone of the outer margin or in the bleed zone of the middle hole (final diameter hole 7,5 mm) which will be cutted!
